

M.I.T. Returning Application

Dear Returning Applicant,

Thank you for considering returning to this Missionary In Training program.

As you know, Mount Abarim's MIT program is promoted and run in cooperation with several other ministries. MIT is a two-week training program designed to encourage high school students that are seeking God's calling on their life.

Applicants should be 15 to 19 years of age at the time of this program. This program is not automatically filled on a first-come, first-served basis but rather through this application process.

This shortened application includes fewer forms. (all of which are downloadable by following the links at www.AllOutForGod.com). All of these forms must be returned to our home office in order to be considered for the program.

This Returning Application:

This application will take time and should be filled out thoughtfully. It is very important that you are thorough in your answers. We do not expect perfection, but we do expect honesty in your answers. This form includes an application for 1 week of camp (this camp application has been modified, please do not use the application provided by the camp) and should be sent to our office as well.

Parent/Guardian & Transportation Forms:

This form allows us to accompany you for the entire two-week period - at camp, ground transportation, air travel, hotel housing, and public transportation. Please send this form even though you may be considered a legal adult.

Camp Application Form:

Since the first week of MIT occurs at Camp Liberty in Butler, Texas, it is necessary for us to have the completed camp application from our website www.AllOutForGod.com). Acceptance into the MIT Program (along with part of your deposit) will secure you a place during their week of camp.

We can only accept a limited number of applicants into MIT. For priority consideration, please complete and return all forms and your deposit as soon as possible. Accepted returning applicants will be notified by mail (or by email if possible) within one week of their acceptance.

In His Service,

Tim Matthews

MIT Coordinator
